## Bts boy with luv billboard full performance

The men of BTS — Jin, Suga, J-Hope, RM, Jimin, V and Jungkook — joined forces with Halsey to bring us “Boy With Luv,” the first single off the band’s new album Map of the Soul: Persona. On May 1 local time, BTS and Halsey performed “Boy With Luv” together for the first time at the BBMAs in Las Vegas. Late last year, she made a cameo as herself in A Star Is Born. (@Ktaring97) May 2, 2019 BTS also won two awards from the 2019 Billboard Music Awards: Top Duo/Group and Top Social Artist. This was BTS’s second time performing at the BBMAs after they took to the stage at the ceremony for the first time last year with their song “Fake Love.” What do you think about BTS and Halsey’s performance? The K-Pop group also won Top Duo/Group at the BBMAs. The track is Halsey’s second new single this year, following her Number One solo hit “Without Me.” Her last full-length LP was 2017’s Hopeless Fountain Kingdom. Send us a tip using our anonymous form. The track appears on BTS’ sixth EP, Map of the Soul: Persona, which debuted atop the Billboard 200, making them the first band since the Beatles to have three Number One albums in less than a year. (It should also be noted that BTS already won Top Social Artist in 2018 and 2017.) BTS made its debut on the BBMAs stage last year with a performance of “Fake Love.” Hosted by Kelly Clarkson, this year’s Billboard Music Awards were held at Las Vegas’ MGM Grand Garden Arena, a fittingly lavish venue for the caliber of performers on deck. Send us a tip Sign Up NBC welcomed the Princes of K-Pop back to the Billboard Music Awards stage on Wednesday for a high-energy performance that was, as always, barely audible over the sound of the audience’s screams. BTS returned to the Billboard Music Awards stage for the second year in a row on Wednesday (May 1) — and this time, they brought a friend. Along with BTS and Clarkson, Wednesday’s ceremony featured live performances from the likes of Ciara, Dan + Shay, Halsey, the Jonas Brothers, Khalid, Madonna, Mariah Carey, Lauren Daigle, Panic! At the Disco, Paula Abdul, Taylor Swift and Tori Kelly. Onstage, they replicated scenes from the song’s record-breaking, candy-colored music video, dancing in front of a bright pink movie theater. May 1, 2019 10:58PM ET BTS and Halsey performed a rousing “Boy With Luv” during the 2019 Billboard Music Awards. We also got a taste of Ariana Grande’s “7 Rings,” but it was merely a pre-recorded performance from her Sweetener World Tour. halsey no BBMA.(1/2)@BTS\_twt pic.twitter.com/ut5WrVuL8f — Bangtan News BR (@BTSNewsBrasil) May 2, 2019 “Boy With Luv” peaked at Number Eight on the Hot 100. The K-pop group sensation dominated the stage with fellow superstar Halsey to perform their smash collaboration “Boy With Luv,” which comes off BTS’ recent album Map of the Soul: Persona. The deafening screams that had risen from BTS A.R.M.Y members in front of a spinning stage set that showed a building and street scene. Mid-set, she disappeared, only to return from within the spinning set in a new outfit. Halsey emerged from its doors in a silky suit, joining the group in a high-energy dance routine. Emotions rode high throughout the thrilling performance, which came to an end just as an enormous neon sign reading simply “Love” descended from below. BTS’ Map of the Soul: Persona debuted at No. 1 on the Billboard 200 in April. Prior to the BBMAs, the boy band made history as the first Korean act to perform on Saturday Night Live when they served as musical guest during an April episode of the sketch show. As they took turns on bouncy verses and raps, dancing in coordination, Halsey jumped into the mix. “Boy With Luv” also scored BTS’s highest ranking on Billboard’s Hot 100 so far when it debuted at No. 8.
